

Welcome to Broadwater Private Day Hospital

Gilly Gent

Director of Nursing

I am delighted to welcome you to Broadwater Private Day Hospital, where patient care and compassion are at the heart of everything we do. Our goal is to provide exceptional healthcare services tailored to meet the unique needs of each patient, ensuring comfort and quality throughout their journey with us.

From the time you are greeted by our team at reception, through to the time you leave the door on your way home, we are committed to caring for you and your family. Our expert team of anaesthetists, surgeons, nurses, technicians, and administration staff are focussed on ensuring every patient receives the highest standard of care. We also understand visiting a hospital can be unsettling. Rest assured, you are in the very best of hands and if you have any questions or concerns, we encourage you to speak up!

Broadwater Private Day Hospital is accredited to National Safety and Quality Health Service Standards and is a proud accredited member of Quality Innovation Performance.

We look forward to welcoming you to Broadwater Private Day Hospital and ensuring your experience is the best it can be.

Accessing our services

Accessing our services requires a referral, which you can obtain from your General Practitioner. They can refer you to a private specialist accredited at our hospital, who will then arrange your admission for the necessary procedure.
