Please list personal and/or professional interests.

Actor (stage) and teacher (primary and secondary)

Please describe your personality/temperament.

upbeat, distractable, hard worker, positive

Please describe your attitude/philosophy in life.

If it does not directly concern you, it is not your problem.

If you can be anything, be kind.

What do you think makes you unique?

My willingness to help others, but also knowing when to draw the line.

How would you describe your childhood? And what value were you taught?

Tough, but worthwhile in retrospect.
Your education is your greatest asset in life.

Who were the most influential people in your upbringing? And what were they like?

My sisters. They were hardworking and more understanding than my parents were.

Please explain why you wish to become a donor.

We had family friends who always wanted to be parents and never had the opportunity. I hope, with my help, others may be able to avoid this life regret.

Do you have a message for a child conceived from your donation?

Be truthful to yourself. You create your own path, so own every mistake and achievement you make.
